

Tryin'

Posted by cordnoy - 23 Jun 2013 09:41

Shalom

I am in my 40s married with children

Recently, I decided to get help on a serious level with my addiction .

My mind wanders and the tayva builds.

It would be easy to blame this on the lack of excitement in marriage intimacy, but I had done this at times before marriage, and at times, when marriage bedroom was good, I'd still fall. Perhaps it still is the reason, but marriage stuff is probably not gettin' better anytime soon.

I have more to write, but as this is my first post, id like to hear some suggestions first please.

Thank you so much

C

Il plan to get the followin' into my signature:

I might not be the most tactful

I certainly cannot be referred to as bashful.

My apologies for sayin' it straight (the way I see it)

But I cannot stand typin' fardreit.

Cheerleaders on the forum there are several

but pom poms and skirts never fit me well.

I might at times go for the jugular vein

And that might just cause you disdain.

My intentions, I hope, are somewhat pure

guess that's why they made me a moderator.

So I ask you forgiveness if I get under your skin

As long as you stop with your masturbatin'.

That's what happened last time and I was concerned it would repeat

Can we repeal???

The thread getting your irk was not addiction related. How bout ignore such threads and I'll moderate those.

I dont need special permissions - I know how to lock threads for no charge - aren't I kind?

If PA were here, he'd shoot another 100 karmas with Mark to cords to try to get him back.

Where Is Pa?!?!

Cord's is cruising on his ship alive and well.

PA is renegotiating settlements.

The Marxist revolution is going on - no nonsense will be tolerated

When I posted what I did, I had no idea about some big explosion and deleted posts.

Yet I may ask, are we re-enacting *1984*?
