

Tryin'

Posted by cordnoy - 23 Jun 2013 09:41

Shalom

I am in my 40s married with children

Recently, I decided to get help on a serious level with my addiction .

My mind wanders and the tayva builds.

It would be easy to blame this on the lack of excitement in marriage intimacy, but I had done this at times before marriage, and at times, when marriage bedroom was good, I'd still fall. Perhaps it still is the reason, but marriage stuff is probably not gettin' better anytime soon.

I have more to write, but as this is my first post, id like to hear some suggestions first please.

Thank you so much

C

Pros and cons regardin' filters on a computer for an addict.

[It is obviously a different discussion when you are dealin' with protectin' children, or preventin' accidental exposure.]

The followin' picture can be used as a mashal supportin' those on the 'con' side.

Warning: Spoiler!

Is this what one should do, when he is addicted to constantly lookin' at his phone (like me, and like many others on this site have attested to)?

Perhaps.....perhaps not.

Lots of stuff goin' on...all over my life....in all areas.

Stress surroundin' anywhere I turn.

Speakin' of turnin', my eyes can't help themselves...at all.

Powerless

Gotta pray (more than in S"E).

Are these things my fault?

I can't think like that.

Do I need to get closer to God?

I must.

How?

Prayer is the only way I know.

Will I crack?

Mr calm?

What will happen when I let go...if?

Can't afford it.

Focus on now; that I can handle...no I can't, but God could!

b'hatzlachah to all
