

Tryin'

Posted by cordnoy - 23 Jun 2013 09:41

Shalom

I am in my 40s married with children

Recently, I decided to get help on a serious level with my addiction .

My mind wanders and the tayva builds.

It would be easy to blame this on the lack of excitement in marriage intimacy, but I had done this at times before marriage, and at times, when marriage bedroom was good, I'd still fall. Perhaps it still is the reason, but marriage stuff is probably not gettin' better anytime soon.

I have more to write, but as this is my first post, id like to hear some suggestions first please.

Thank you so much

C

Sorry on the "no calls" this week.

several people asked.

Was generally busy with no set schedule.

Today would be good, especially cuz presently, I am in a depressed state, which is not a good one to be.
