

Tryin'

Posted by cordnoy - 23 Jun 2013 09:41

Shalom

I am in my 40s married with children

Recently, I decided to get help on a serious level with my addiction .

My mind wanders and the tayva builds.

It would be easy to blame this on the lack of excitement in marriage intimacy, but I had done this at times before marriage, and at times, when marriage bedroom was good, I'd still fall. Perhaps it still is the reason, but marriage stuff is probably not gettin' better anytime soon.

I have more to write, but as this is my first post, id like to hear some suggestions first please.

Thank you so much

C

the mashal comes from aa book page 36. I understood you meant doing mitzvos while dancing with lust. Thanks for the clarification .

I'm not sure of the different sects of chassids that there are or in particular as to what type of socks they wear on their feet, but if you dig a bit deeper, perhaps you can find out how the '**Yankles**' were dressed when they played baseball.
