

Tryin'

Posted by cordnoy - 23 Jun 2013 09:41

Shalom

I am in my 40s married with children

Recently, I decided to get help on a serious level with my addiction .

My mind wanders and the tayva builds.

It would be easy to blame this on the lack of excitement in marriage intimacy, but I had done this at times before marriage, and at times, when marriage bedroom was good, I'd still fall. Perhaps it still is the reason, but marriage stuff is probably not gettin' better anytime soon.

I have more to write, but as this is my first post, id like to hear some suggestions first please.

Thank you so much

C

Thanks to R' Guard, we now have a new number.

There are extra benefits for this.

The main one is that now there is a local number for 55 countries.

that means if you are in Australia, Romania, Ukraine, Slovenia, New York, Israel, Barbados, or any of a list of 55 countries, you can now access the call free of charge.

So, if you have 25 minutes today to help me manage my life, email me please for the new number.

Call will be from 1:20 - 1:45 EST iy"H.

Step 1!

White book and Big book

We will be continuin' Step 1 today iy"H!

We will encourage Step 1 shares (personal history), but very brief, and NEVER any pressure *.

Work it, for you're worth it!

* (to say anythin'; "encourage," for it's been proven to be productive, but there will be no pressurin' at all)

No need to announce yourself or to speak or to say your name.

Any concerns or requests, let me know please.

All you ever wanted to know about Heaven and the Sefiros.

Call today @ 1:20, as Serenity explains it all in a 'down-to-earth' manner.

You will exit the call 'walkin'-on-air' (believe it or not).

Don't miss it!
