

Tryin'

Shalom

I am in my 40s married with children

Recently, I decided to get help on a serious level with my addiction .

My mind wanders and the tayva builds.

It would be easy to blame this on the lack of excitement in marriage intimacy, but I had done this at times before marriage, and at times, when marriage bedroom was good, I'd still fall. Perhaps it still is the reason, but marriage stuff is probably not gettin' better anytime soon.

I have more to write, but as this is my first post, id like to hear some suggestions first please.

Thank you so much

C

Better idea: Don't google these things. Please. (Or anything that cordnoy says that you don't understand, for that matter )

Uhh, what about what Bigmoish writes, can I google opaX2t? (Unless you mean the kind of tea drunk by a german grandfather with two grandchildren...)

Hey!

Stop makin' fun of me.

Call Today!

Don't miss the incoherent ramblin's and readin's of a recoverin' (perhaps) lustaholic!

There's sure to be plenty of awkward silence as well! (Though, as usual, all are free to add their shares, questions and comments.)

Be there at 1:20...or don't be there, but the call will go on!

Call Today!

Last chance to say whatever you want without R' Cordnoy hearing!

Tomorrow, our fearless leader returns (gotta keep workin' on eradicatin' that fear) and will hopefully begin to take us through the "veise" and "grosse" seforim once more!
