

This Site makes it hard for me?!?!?!?!?

Ok, i have a problem. a big one. i feel confused and unsure of what to do...so i figure i might as well ask all of you guys what you think. who knows? maybe you'll be able to provide me with the perspective i need.

I've been following the advice on this site for a long time now

I CANT FIGHT LUST. I NEED TO LIVE FOR HASHEM AND NOT MYSELF.

cuz thats the only way i can really overcome this.

but here lies my problem. every single time i log onto this site and read the forums  
or every time i sign up for the wall of honor....im naturally thinking all these impure thoughts.  
i know that by trying not to think about lust i will only succeed in thinking about it...

but how do i stop? how can i just read the chizuk and focus only on the chizuk and not  
fixate on the shmutz?

wow, even reading that to myself sounds messed up.

im viewing the solution as a catalyst for the problem!

and i know thats bad.

can anyone help me come up with an way to NOT think like that??

anything guys...anything you've got is better than what i've got now....

thanks!
