I would never have been able to do it without you. I am confident now that I will succeed. You guys are literally saving people's lives. It is such a big mitzvah and it is such a big kiddish Hashem! I can't wait to get to 90 days so I can give the \$90... I'm only 19 so I don't even make money but to a cause like this I think everybody should donate. The amount of gratitude I have for this organization is tremendous. I am taking it upon myself to spread the knowledge you guys provide on the site. It is a big fight that every serious Jew must undertake and It's a fight that will unite every denomination under one umbrella. There is much work to do though, and I am only 22 days so i shouldn't get to confident but my excitement about about starting my life clean was just to much to contain! Thank you so much. Keep being mezakeh us, we need it!

This is a great place , honestly . and i felt i had to say thank you. Further more . For THE FIRST TIME IN MY LIFE i am approaching Rosh Hashana with a different feeling . FINALLY !! i am not the same as last year and years before . It wont be a repetition of every year . Fall (sin) -teshuva (rosh hashana - (fall again) - rosh hashana again - fall again this time is different . I want to give you a big hug . thank you and thank you again . Newaction (finally ! and really SHEHECHIYANU) I love you all . thanks a lot i can continue but have tears in my eyes thank you again.
