With tears in my eyes, (literally) I reflect back on all that the oilam here at GuardYourEyes, have done for me. I would have never dreamt at last Rosh Hashana that I would be able to be at the point I have arrived at this Rosh Hashana. I would have loved to be able to approach every single one of the guys personally and give them a hug and thank them from the deepest recesses of my heart. But that is not possible...yet.

In the meantime let it suffice to use this wonderful platform to wish everybody a good gebentched yor. May we all be blessed with a year of parnasa, shalom bayis, happiness, nachas from your children, and most of all a year of getting closer to Hashem, and may we be zoche to complete recovery.
