

I need help

Posted by joeshmo - 19 Oct 2009 22:10

I am not addicted to viewing porn but I have been going into talk forums and seeking out transgendered people. Im not gay and have never acted out in this way but I feel this "Dirty Talking" and viewing pictures of them is getting to be to much, it fills like its killing me with guilt. I hate getting an Aliyah anymore becuase I feel so terrible. I have a beautiful wife of 20 yrs and I have been neglecting her in the bedroom. Please any advice is appreciated. Toda.

Guard...why would you say that Dovs article was lost to me for? I read it and then read it again..If someone is going to take time to help me then I will take time to chew the meat of what he sent...don't judge me my friend...I loved it as well.

I'm glad, because that was a real classic beauty from Dov!

I don't no how to PM..and like I said right now i have alot of financial debt and the first thing to
I don't have time to think about my
problems today...only how to get out of this mess...and you know what?? I know HaShem isn't
going to help me do anything..he never has so why start now...thanks.

Dear Joshmo - First of all, you are not a shmoe. You are clearly a sweet yid. You see so much
potential in yourself that your spiritual poverty tears your heart out. First you may need to face
the facts of your situation. It sounds like you are doing that already. Getting on your feet
finacially is so important.

However, I need to ask: Has your lust problem has hurt your finances at all?

Have you been spending money for schmutz, spending time for chasing and secrecy, and
spending vital energy in the torture of having a double life?

To many of us who have been living this way for years, even decades, it seems that we have

not - even though the cost of our dependence on this trash *has* been far-reaching and devastating. We often seem to be blind to it early on.

Hatzlocha rabba is your problems. Please avail yourself of chessed organizations if you feel you need to. Please.

PS. Did you go to the bathroom today? If so, then Hashem *does* love and help this "Jo", and always has. Period. Say Asher Yotzar with a little smile, OK?

Glad to hear that you're clean, and also glad to hear that you feel good about it - remember how good it feels, hold onto that feeling!
