

I need help

Posted by joeshmo - 19 Oct 2009 22:10

I am not addicted to viewing porn but I have been going into talk forums and seeking out transgendered people. Im not gay and have never acted out in this way but I feel this "Dirty Talking" and viewing pictures of them is getting to be to much, it fills like its killing me with guilt. I hate getting an Aliyah anymore becuase I feel so terrible. I have a beautiful wife of 20 yrs and I have been neglecting her in the bedroom. Please any advice is appreciated. Toda.

imtrying25..man you have been there for me...I really thank you..Im not saying that the yh is going to quit whispering in my ear...Im saying im going to "Change the Channel" in my mind when he does...Im confident that HaShem is doing things in my life right now...I feel like im going to be ok for the first time in a long time...I can't look at filth and look in the face of my beautiful faithful wife that HaShem has givin to me any longer..this might sound crazy but I watched a movie the other day and there was a marriage scene and the minister explained "Till

Death do us part" and " For better or worse" that had an impact on me...Im going to keep true what my wife has now for many yrs...like I said..good things are happening..miracles

===== everywhere...just look in the mirror and you'll see one =====

Today is a Fast Day...Im Fasting today and thanking Hashem for saving our ancestors in Queen Esters time but Im also thanking him for saving all of us as well...the Miracles are truly here for us today ...open your eyes and reach out...if we take one step to HaShem he takes two

I pray you all have a grat and meaningful Fast Day, and I pray we all move just a little closer to the light so we can expel a whole lot of darkness
