

OFFICAL WARNING FROM THE DEPTOF HEARTLAND SECURITY

Posted by stillgoing - 03 May 2015 20:21

DUE TO THE RECENT RISE IN TEMPERATURE IN THE EAST COAST REGION OF THE USA, AS WELL AS AROUND THE WORLD, THE DEPARTMENT OF *HEARTLAND* SECURITY IS ASKING ALL GYE CITIZENS TO BE ON HIGH ALERT FOR THE NEXT FOUR MONTHS. DANGERS MAY INCLUDE IMPROPERLY NON-REGULATED DRESSED PEOPLE, AS WELL AS THE EXCESSIVE USE OF FORCEFUL IMMODEST ADVERTISING. IF ONE OF THESE THREATS ARE SIGHTED, CITIZENS SHOULD IMMEDIATELY TURN THE OTHER DIRECTION AND OCCUPY THEIR MINDS WITH THIS MESSAGE.

ONCE AGAIN THIS IS A RED ALERT.

AND REMEMBER, IF YOU SEE SOMTHING - SAY SOMTHING (a Kapital of tehillim would help)

WOW! I didn't realize that all of those were links. I see it's about time we had a Department of Heartland security. (can we charge taxes?)

Ok. so I wrote that first post while in a sober state of mind. Then I went to Target. That place (or any large store) should be banned this time of year! B"H I got out alive. Although, the memories will continue knocking on my minds door for some time. Still, it's nice to see that all of the things I've been learning here kick in when I need it most. Thanks everyone.
