

Return of the Emu

Posted by mr. emunah - 11 Aug 2015 02:29

Hello everyone,

It has been a while.

I think today is 925 to the M (if you can guess what that is) however even though I don't have a huge taiva for "P" there are a few stupid images of "jewish" "p" that I constantly obsess over, and keep on trying to check on them (Maybe there are more now!) and it's messing me up.

Good night

Aint ya'll happy for Elul?

Wow!

Are you here for a while?

We'd love to have you back.

I even noticed your friend online a few minutes ago as well.

Don't tell me you were doin' this instead of learnin'.

Either way.....great to hear.

We hope to see you around.
