Do you ever get the feelin' that your hand is bein' held by the gye chevra I do.

Yeah, lots of us feel like we're waydown, and hold on the head waiter's hands for dear life.

All of us are holding hands, some are yanking and some are being yanked and I like the yankees

I hate the Yankees!

I don't follow baseball ????? I knew this was coming.

Yeah mr waiter it's not such fun hulking up and down the aisles selling popcorn and ice T (/coffee) when you wanna watch the game, and you may also get hit by the ball - everyone is hurrying - you think it's cause they happy you got hit, no some poor bloke just scored a homerun by accident

You have my approval....but only for your wants, as I would have them as well. Will I act upon it? Hell no!

Waydown it sounds to me like that was your intent. I want to but I won't

And this is the reason I asked you to post earlier. Cos the YH lives in a vacuum and when you posted how did that feel?

two hours left a bit more of work. I am very stressed out and dying to go places I shouldn't. I will try to hold out simply because

1) I don't want to let my GYE chevra down

2) This should be #1. I don't want to let my wife & kids down even though I think they will never know.

3) Its hashana raba and I want good chasima. (sorry for throwing in judiasm)

4) Its only about another hour. If I made it till now is one hour so hard?

Hi I want to give some critic, please don't answer me to strong because I'm really sensitive...

I want to ask a question, I don't want anyone to take it personal because we are all holly yiden that really want to do Hashems will every second of life,

BUT I think that this conversation of joking around about the biggest aveiros is not appropriate in this holly crowd,

Imagine a group of people who are addicted to kill other people open a website where they work together to overcome their addiction, so let's imagine they're joking around like this: who is giving me permission to kill a mother of 7 children...

watching inappropriate things is disgusting just as killing its only that we don't feel that way because of

If I'd be locked in a room myself, that would be a tough challenge!

??? ??? ??????!!

I got an email one of the guys was makin a comment about humor. So I want to set it straight.

???? ???? ???? ?????. How do we deal with the YH?

?? ?????? ?????!!!

How do we encourage our YH to stick to this great website? By makin it fun

Yeah, go be serious. Tell the YH "oy ye yoy ye yoy du sheigetZ baal aveira, baal taiva..."

See where that gets you. Your 18 wheeler might leave fat skid marks somewhere... I don't wanna think what may happen with ye.

Ever since I accidentally joined this astounding website I have not had a depressin' moment - my addiction has been emptied from my tank and the YH hasn't had any opportunity to depress

There was never a moment where we joked about lustin. We were talking to our YH that wants to do those things mentioned above, and it was also meant in all seriousness

Warning: Spoiler!

It gets borin' sometimes truckin' for miles - and this is how we keep ourselves awake when we run out of tea an' cofee.

Any other ideas to stay awake? Keep postin'

Looks like that post was deleted. I think he had a point but it's beyond me to know where to draw the line, and if we ever went over it. I'm curious if the poster deleted it or if a moderator did. But you know what they say about curiosity, so I don't want to be catty about it.
