

**DOES ANYONE WANT TO SPONSOR THIS AD?**

Posted by the.guard - 10 Nov 2009 21:31

---

We got an offer to place an ad in the "[American Jewish Spirit](#)" magazine for a good price. The  
AJS comes out 4 times a year and it is ONLY subscriber based. **It has 100,000 readers!**

Most of the readers are either frum, recent balai Teshuvah, or people who want to be Mitchazek  
and become more religious.

The normal price is \$995 per issue, for a half page ad. We got an offer for **half price** = \$500 (or  
\$400 if we take it for a full year, which is 4 times).

The magazine goes to press this week, so we only have another 2 days to get in the ad.

You don't have to take the whole thing, you can take a part if you want... For example, if 5 guys  
give \$100 each we're in business! :D

**Anyone want the zechus of possibly hundreds of people's Teshuvah?**

Do you feel you're living a double life?

I think the ad sounds really good. Im just not so sure about this line. Most people when reading this ad for the first time dont always realize that they are leading a double life. So this may seem to them as an attack and turn them off. Important when trying to get peoples attention; you have to write what they want to hear.

Also i was thinking how about just putting in the flyer that gye has??

Good point trying25!

The flyer [here](#) is good, but it's a little long and complex... A few people have suggested that I try to go with something SHORT and to the point, that catches people's attention.

Any one else have ideas? Comments?
