

Not sure if I fell...need advice.

Posted by ineedhelp613 - 12 Feb 2016 11:27

Been on an awesome 22 day streak.

Last night, I had a wet dream, but woke up before reaching point of no return.

I was definitely awake, but I wasn't awake enough to think about my streak, the consequences, or any of my fences.

Do I start again from 0?

I then, semi-consciously finished off to the end

I think you may be chayav a Korban Oleh V'yored.

Maybe ask a Rabbi first.

If you truly woke up at the point of no return then I wouldn't consider it a fall for myself.

Don't worry about the past dude. It most likely was out of your control - but either way, it was in the past. Everything which happens in the past is because Hashems will allowed it to happen so don't get down about it.

Hashem just wants you to focus on what you can do NOW and that is all.

Don't beat yourself up cos Hashem loves you. Just be happy:)
