Opinion's NEEDED QUICK PLEASE

Which Ad do you think gets the message accross better?

[This one](#) (from yesterday)?

Or [this one](#) (that I changed/updated TODAY)?

If my opinion means much i think the second one relays the message better and at the same time not so direct. So i would go with the second one.

[Cry2Tatty wrote on 12 Nov 2009 13:32:](#)

moral purity...yuch...i like the first one better...

Is that not whay we are striving for?? Ok ive embraced myself for the rage reaction. Shoot.

like the first one

How about "Maintaining our Sanity in a World Gone Mad" ?
if you choose the second, fix the spelling of maintaining
