Thinking of starting again phone conference.

Perhaps once a week to start.

Friday at 10:30 maybe. But that's no good for Israelis. Maybe Thursday at 1:00.

If there is an interest for a 45 minute slot once a week, please let me know what day and time works for you.

Either here or by email or by text or whatsapp or even skype.

I think I would be interested if it's during morning hours of the weekdays. I can't commit, but I would be interested.

And for me, Skype would be cool.
