Posted by the.guard - 22 Nov 2009 14:06

We are about to announce the new Automated Wall of Honor. I need a cute/small animated gif of a "Lechayim" for the chart. Bardy? Anyone?

Please send it to eyes.guard@gmail.com

- oh, and don't send a link to it, I have a white-list filter and can't see any links... send the actual pic please)

thanks!!

P.S. Once we're on the subject, all those guys who enjoy posting links to funny pics on the forum, keep in mind I can't see them. Maybe send them to me by e-mail so I can laugh too! ;D ;D

=====
Maybe search on Google pics for "animated gif toast" or "cheers" or "Woodford"
