Hi Shua, how are you?

Like your new picture, hence i like more the sunglasses than the lion:wink:

Yeah me too. First I looked for ducks or geese in sunglasses but there weren't any good ones so I settled for the lion.

It's been 18 days and they go by slowly. If I'm up after 12 I like updating the chart on my app

I do not think you have to wait until midnight. The GYE forum is based on Israel time. Depending on when I fall, sometimes I get a free day and sometimes I have to wait over 24 hours. It certainly does not go mees laes. If you are in say the EST time zone, I find I can easily update my day after 10PM EST

So I put in the text that you put in the box and i get directed to 2 sites the first is one that webchaver says is highly questionable and the second is a chassidishe forum completely in yiddish. You crack me up. I'll give you a karma when I get a chance (I can't now cuz it's not 6 hours since i gave one to I dont remember who).

Shua,

Did I lose my right to Karma? I am trying to be patient. I told the story of this yiddish forum in my shul to some of us who came to the learning program on Friday night. On the forum, one of the kids name's is mumcheh Atzum -- hey, that's not yiddish

since I get to count the next day already and get a bigger number.

MMufasa!

AAnd as I think quite appropriate hakuna matata

**Shua asked** about double letters. Not sure if you and **Cordnoy** are messing around but I see MMufasa in **Cord and AAnd in Shua**

regular then the one he's got!!!

Really now.

As policy, I never use avatars. I thought it fit in with some of posts about secrets (upside down text and that GYE midnight thing). Girl reminding people it is a secret. I am glad YOU think it is regular because I thought it was quite original -- posting a girl on a GYE forum -- and I was afraid I would get kicked off of the Moetzes Gedolai HaTorah.

I feel much better now

Sound of someone muttering under his breath...

(Regular he says. Wait until I post an avatar without clothes now)

**BEH,**

**I cannot figure out what \*\*\*\*er means.**

**Shua,**

Sorry to throw you under the bus, but it is all **BEH's** fault for starting this:

You have posted multiple times that you have ADHD. I just read online (WebMD) that a symptom of being ADHD is constantly changing your GYE avatar.
