I am still trying to get through that SUPER-LONG over 2-hour shiur of the dead guy who lived.

Someone sent me to look at a black goy screaming at the audience inspirational accountability.

(not the same guy as the always high on marijuana guy in Mark's cute picture).

I listened to the 2nd Rav Simcha Feurman choson lecture series...taking notes.

Wow, he seems to really know his stuff.

And he keeps saying to write him a text or email.

I may just take him up on that, when I have a question.

And I'm still working through the Rav Ben Zion Shafier tyvah talks / The Fight series,
writing up the main points.

And listening to Rav Fishel Shechter.

I'm in a great mood...cane yirboo!

OK, so I can see that I can have control to stop myself from a fall. I was very creative in holding
my bed to keep my hands from reaching below the belt and yet used my bed as a hand, but BH
no MZL.

I subsequently briefly forgot and used my hand, but quickly remembered.

Time to up the ante and attack the pornography, especially after that dopamine seeking tirade

today. If I hit 13 days IYH, 25 minutes on a site meyuchad for pornography is a fall. Going to a site meyuchad for pornography for any amount of time is a slip and I have to post about it.

Boy will I miss Tamar and the rest of the girls. L'shitasi, I don't NEED them if I am not an addict, but I will miss them nevertheless, especially if I think of a new position I want to Google to view

Something's weird/wrong, because it says that I wrote that post on the 13th of Septeber, 1974!!!

Man, how time flies! It seems like only yesterday!

I listened to the whole shiur, all 2 hours and 10 minutes of it. He says: leave all your questions to the end; I'll answer all of them...but then the video ends right after he finishes speaking, without him taking or answering a single question!

It's freaky to hear from a dead guy who came back after making a deal with HaShem, apparently, to warn everyone to do teshuva and keep mitzvahs!

Heavy stuff. Even if he is just out to be a famous speaker, on the skeptical side, the main message:

do teshuva and keep mitzvahs as a Jew, we are all responsible, the world is not hefker, there is reward and punishment, HaShem is real, and our actions on this world matter, is a positive message.

Yosef,

I posted that video before I finished it, but I also watched the whole thing and enjoyed it and have no reason not to believe him. It helped for some immediate time after, of course I need inspiration to last

Hi Chevreh, How are you all?

I was feeling a bit low the last few days, as the fighting feeling gets relaxes a bit, and the excitement over posting and getting answers is warring down as well (still enjoy it, but there isnt this thrill anymore).

Today i saw the **Chizuk email from GYE** (those who want to know y i just saw it today - ask quiet...), and the [Testimonial](#) was from me, that i posted here & on my Thread, it gave me such Chizuk,

I feel its a **sign from Hashem** - I'm watching your struggle and i am with you, looking out for you and *Shepping Nachas*.

LOL
