

Pidaini & Mr Emunah's P & M Mincha Group

Posted by cordnoy - 26 Mar 2017 03:28

Inspired by two of yesteryear's greats, I'd like to initiate a new nonexclusive group.

First, some background:

Pidaini initiated a KRIS"H group for shema al haMitah.

Mr. Emunah was a countin' to the P and the M (he is in the thousands now B"H).

On Friday, there was an in-depth conversation on the Phone from fellows on both sides of the Pond regardin' connections to God, and it spilled out that some (includin' I) are not the best Minchah go'ers, to say the least. Therefore, i figured that what better way is there than to start a Mini group to the P and to the M for all those who wish to be Mechazek in Minchah services. Perhaps we/I can build a connection in this way; and if not, it Probably can't hurt.

The rules for this group are:

There ain't no rules!

Suggestions:

1. Any word beginnin' with a P or an M should be capitalized.
2. If you Post on this thread, you should end it by indicatin' your streak to the P(rivate Minchah) and to the M(inyan Minchah).

2 to the P and 2 to the M!

Yes P; no M! (Sort of like a different group)

Keep your hands near your Pocket, not near your Mouth.
