

Pidaini & Mr Emunah's P & M Mincha Group

Inspired by two of yesteryear's greats, I'd like to initiate a new nonexclusive group.

First, some background:

Pidaini initiated a KRIS"H group for shema al haMitah.

Mr. Emunah was a countin' to the P and the M (he is in the thousands now B"H).

On Friday, there was an in-depth conversation on the Phone from fellows on both sides of the Pond regardin' connections to God, and it spilled out that some (includin' I) are not the best Minchah go'ers, to say the least. Therefore, i figured that what better way is there than to start a Mini group to the P and to the M for all those who wish to be Mechazek in Minchah services. Perhaps we/I can build a connection in this way; and if not, it Probably can't hurt.

The rules for this group are:

There ain't no rules!

Suggestions:

1. Any word beginnin' with a P or an M should be capitalized.
2. If you Post on this thread, you should end it by indicatin' your streak to the P(rivate Minchah) and to the M(inyan Minchah).

2 to the P and 2 to the M!

Huffing, puffing... Just barely made it for Kedusha today. (I mean the one you say, not the one which is supposed to be a way of life...)

6(P,M)

B"H, I didn't leave too much wiggle room either for 48 to the P and 48 to the M.
