

Pidaini & Mr Emunah's P & M Mincha Group

Posted by cordnoy - 26 Mar 2017 03:28

Inspired by two of yesteryear's greats, I'd like to initiate a new nonexclusive group.

First, some background:

Pidaini initiated a KRIS"H group for shema al haMitah.

Mr. Emunah was a countin' to the P and the M (he is in the thousands now B"H).

On Friday, there was an in-depth conversation on the Phone from fellows on both sides of the Pond regardin' connections to God, and it spilled out that some (includin' I) are not the best Minchah go'ers, to say the least. Therefore, i figured that what better way is there than to start a Mini group to the P and to the M for all those who wish to be Mechazek in Minchah services. Perhaps we/I can build a connection in this way; and if not, it Probably can't hurt.

The rules for this group are:

There ain't no rules!

Suggestions:

1. Any word beginnin' with a P or an M should be capitalized.
2. If you Post on this thread, you should end it by indicatin' your streak to the P(rivate Minchah) and to the M(inyan Minchah).

2 to the P and 2 to the M!

Unsubscribing from this thread.

Everone detailing their P&M habits is clogging my inbox. Please let me know if something interesting happens.

I'm curious as to the point of your post.

The count is the whole point of this thread. Its a non lust related spiritual activity that is part of "life". Life is interesting. When I'm lusting, I'm not living. When I'm davining with a minyan, I usually am living.

(All of those updates are actually a chizuk to me, since I see that others are actively pursuing this goal, it makes me want to do it to.)

(And I highly recommend green gobbler for unclogging your inbox)
