

Pidaini & Mr Emunah's P & M Mincha Group

Inspired by two of yesteryear's greats, I'd like to initiate a new nonexclusive group.

First, some background:

Pidaini initiated a KRIS"H group for shema al haMitah.

Mr. Emunah was a countin' to the P and the M (he is in the thousands now B"H).

On Friday, there was an in-depth conversation on the Phone from fellows on both sides of the Pond regardin' connections to God, and it spilled out that some (includin' I) are not the best Minchah go'ers, to say the least. Therefore, i figured that what better way is there than to start a Mini group to the P and to the M for all those who wish to be Mechazek in Minchah services. Perhaps we/I can build a connection in this way; and if not, it Probably can't hurt.

The rules for this group are:

There ain't no rules!

Suggestions:

1. Any word beginnin' with a P or an M should be capitalized.
2. If you Post on this thread, you should end it by indicatin' your streak to the P(rivate Minchah) and to the M(inyan Minchah).

2 to the P and 2 to the M!

Funny thing. I never put a Spoiler in any of my posts and I don't know what I did to get the one that is on the last post.

Oh well, no surprises should be any worse.

I may be worse than it than you

We're on the same boat

Only, my environment changed and I basically can keep my PM streak to an easy extent  
because it's currently served on my plate

Every Mitzvah we do is so Precious. I try to focus on that and be grateful for the oPPortunity to do a Mitzvah when I can. I was thinking about mincha today and maybe with a minyan more regularly and I came accross this thread. So thanks.

1 to the P
