South Africans - there is hope Posted by Atzmosyosef - 11 Jan 2018 18:55 Hi everyone. My GYE name is atzmosyosef. Just to let everyone in South Africa know that youre not alone, and there are face-to-face meetings that you can attend and meet other people who have suffered the way you have and have found freedom through the program of recovery. Send me a message to my gye account, and I can help direct you to a relevant meeting. There is always hope! ______ Re: South Africans - there is hope Posted by hashem help1 - 29 Nov 2021 21:16 Hey where are these neeetings held?
