Dear Yetzer Hara,

As advise from Skeptical and Pidaini, I am writing you this letter. This is what I will be telling you when you come knocking again, and I know you will...you @\$%.

At first, I was afraid, I was petrified

Kept thinking, I could never live without you by my side

But then I spent so many nights thinking, how you did me wrong

And I grew strong and I learned how to get along

And so you're back from outer space

I just walked in to find you here with that sneaky look upon your face

I should have changed that stupid lock

I should have made you leave your key

If I'd known for just one second you'd be back to bother me

Go on now, go, walk out the door, just turn around now

Cause you're not welcome anymore

Weren't you the one, who tried to hurt me with your lie?

Did you think I'd crumble? Did you think I'd lay down and die?

Oh, no, not I, I will survive

Oh, as long as I know how to live, I know I'll stay alive

I've got all my life to live, I've got a family to give

And I'll survive, I will survive, hey, hey

It took all the strength I had not to fall apart

Kept trying hard to mend the pieces of my broken heart

And I spent, oh, so many nights just feeling sorry for myself

I used to cry but now I hold my head up high

And you see me, somebody new

I'm not that chained up little person still infatuated with you

And so you felt like dropping in and just expect me to be free

But now I'm saving all my living for Someone Who's loving me

and that's God...every moment

b'hatzlachah
