

Help

Posted by seinayim - 24 Nov 2019 15:19

Which parts of this website have people found helpful. I'm really struggling. My wife is always tired and complaining and my frustration is too much. Would appreciate your advice thanks.

For me, it's been helpful to stay in touch with people 1 on 1. it's important to be able to talk about what you're going through with people, whether it be on a forum or just to 1 or 2 people.
