Poshut yid once wrote:

the yetzer tried to get me to go onto Facebook and look at some of the pictures over there with the rationalization that it is not pornography. I actually listened and went but I shut it down before I could really focus on it. I know this is his way of getting me to do something seemingly innocent which will lead me down a horrible path.

After a stumble with Facebook, "Momo" posted on the forum:

I need to learn from my fall, and this past fall has taught me that I have to cancel my Facebook account. It's really a waste of time anyway. The only reason I've been keeping the account is to see what's new in my friend's lives, see new photos of their kids, and have all of their email addresses in one spot. So I'll be "out of the loop". I'll miss someone's birthday. I'll miss a cute photo of a kid smiling. It's NOT worth it if it's going to trigger me to fall. I'm too sick to be on Facebook.

The next day "Momo" wrote:

Yesterday I said that I'd deactivate my Facebook account, and I did. Right before I did that, I said a prayer that with the z'chut of this action, HaShem should help everyone who's on this forum. Then, while I was doing the deactivation, the Y"H started voicing his objections "come on...". I countered by singing (in my head) a niggun really loudly. I felt very proud of myself after I did it, until I received a notice from Facebook that I can always activate my account again simply by signing in.

After searching the net, I found that you CAN request to have your account permanently deleted, and I did this too.

One great Ba'al Teshuvah - who has been clean now for well over a year, wrote us as follows:

The Yetzer Hara in his slimy and cunning ways, convinces so many people that Facebook is so innocent! Believe me, it is one of the worst places on the web, probably because it seems so innocent!

I personally have transgressed some of the worst Aveiros, thanks to Facebook! May Hashem have mercy on me and forgive me. May Hashem have mercy on everyone out there with a Facebook account, and give them the strength to get rid of it forever.

Same goes for mySpace and all "social" sites. The Torah forbids social mingling of the sexes. This applies 10000000% to mingling on Facebook too, and perhaps applies even more due to the anonymity involved that allows people to sink lower and lower, rachmana li'tzlan.

Please keep harping on this, until people get the message.

Another guy wrote:

Good for you Momo! I am also happy to let you know that I gave up my Facebook a few weeks ago. It's good to see I am not alone here. I became addicted to it, checking friends' profiles and pictures.

Now when I'm home with time to spare, I'm more likely to pick up a sefer and learn instead of wasting time on the computer on these social networking sites.

Also, I went through my iTunes and iPod and deleted a lot of my goyishe music, including lady singers. This is something of a financial loss, since this music cost money, but I am more than confident that 'loss' is far outweighed by the eternal spiritual gains this will bring me.

Shoshana wrote:

This forum is a wonderful opportunity for me to truly and finally feel good about myself. Facebook and the other so called social networks are breeding grounds for the disease.

Facebook is MAMASH a posion pill. Everyone not only on this site should get rid of it, but all Jews as well. Baruch Hashem I never injected that poison into my body, but Ive seen people waste hours of their DAYS with Facebook. There are untznius pictures, and many other things that we should stay away from. I advise EVERYONE here to take the Bardy initiative and delete their accounts immedietly. Also, if you're in the dating world it doesnt look too good. In the past, I have looked at a Facebook account as a grave weekness in the person.

Yeah, facebook is doing much worse things to the new generation than texting and cell phones did to ours. It's horrible in terms of teenage boys and girls being able to meet each other SO quickly and easily RCM"L.

as addicts, we tend to use whatever we have at our disposal to further the addiction...like the alcoholic that takes down cough medicine...so youtube and facebook arent bad but its bad for us because for many of us it makes feeding our addiction so much easier...

i need to disagree with my comrade

face book is worse for the non-addict

the addict does not need facebook

it is the non-addict that is just tapping into a "social" net work

hey whats wrong with social with communication

IT IS PISCHO SHEL GEHENNOM!!!!

K9 blocks both Facebook and Youtube!
..GULP..

::GULP again::

This is a major nisayon for me. Facebook is an awesome tool to keep in touch with friends.... and I admit it can also be an effective tool for online flirting, chatting with girls, and looking at their picture albums.

In my circles basically all my friends and acquaintances are on this site. Sometimes I wish I lived in a chareidi community and had all chareidi friends but the truth is I don't and in the modern-Orthodox community these things like Facebook, movies, social mingling of the genders are very much tolerated.

I can't see myself getting rid of my account... that itself seems embarrassing to admit.
