

Do men with attractive wives have less of a problem?

Posted by ark321 - 24 Dec 2009 23:06

I would like to know what people think about this. We know that the yetzer hora creates ideas and lust into our minds, and it is all fake. Maybe if we were to know that even if our wife would be like the women we dream about, the yetzer hora would just make us want some other women etc, that this would help. I'm rushing this message as im in a rush, but there is more I have to say...

Thanks Guard! I'll e-mail you more reid...

But I had another thought, and I just want to give a little for perspective on this discussion. IT IS IMPORTANT! and Dov is still 100% right. But on the way to rock bottom, we have to realize that it's no external factor. It's not what we're missing. Not our wives waist lines. No our bosses, our jobs, our yeshivas, parents or societies. But on the way to rock bottom, it may be useful to analyze each of those issues and truly see that it's not it. FOr instance, two types of answers are important - either

1) "I have a drop-dead gorgeous wife and everyone looks at her except me; I prefer ugly girls in porn land"

2) "I used to think my wife was ugly. Then I dropped this habit and remembered why I married her in the first place. And viola, she started acting like that girl I married in the first place! Who knew acting like a jerk would push a woman away?"

both saying the same thing: "IT AIN'T THE WIFE!" - this was an important for me - on the journey to rock bottom. ??? ????? ???? ??? ?? - and that's why we'll probably keep having these discussions. But for Dov, and the rest of the recovered addicts, it's a little irritating, because it means we're still in an illusion. True, but I feel it's on the way out of the illusion, and hence important. The more we get the same answer over and over again - eventually we'll realize, it ain't going away based on any other factor.

Sorry I didn't read every post on this thread (I skimmed through most). So, I don't know if anyone already wrote this, but if you have a drop-dead gorgeous wife, don't you think there's more of a chance she'll attract the looks of other men more than if you had a more "plain" wife?

Honestly, do you want to go in public knowing that other men are leering at your wife?

Think of this next time you "wish" your wife looked like a p**n star.

Momo, my dear friend!

While I agree with you that a woman who dresses provocatively is doing a huge disservice to the world, herself, her husband, and the walrus, BUT that doesn't mean that one should not "wish" for a wife that he is attracted to on a very physical level, or be happy to be married to one. There is a huge world of difference between a "pretty and skinny wife" which is the topic of this forum and a p**n star.

If a man is married to someone he finds very attractive, and she dresses in a tzniyus way and acts in a 100% tzniyus manner, I think that is totally fine and good!

As far as men leering at your wife despite her being a total tzanua... there are perverts out there who will leer at anything in a skirt, be it chai, tzomeach, or domeim... so you can't dictate your life or wife by the lowest common denominator of a guy who five minutes after leering at your wife might be leering at a table leg that looks like a human leg....

?? ????? ?????? ????? - You can't be responsible for every perv out there (and yes, unfortunately I'm that perv sometime... I'm not trying to be demeaning to anyone, although leer is a harsh word, I don't know if actually leer....)

? ??? ??? ?? ?????? ????? - But you do have a responsibility to make sure that the person you marry is not the type of person who will act or dress in an even slightly seductive manner

But that's just my opinion....

I would venture to say that "Perv" is harsher than "leer".

Perverts is what we are - literally. We've taken something beautiful and holy, and twisted it. And we're trying to get back to where we need to be.

And we can be proud that we're doing what needs to be done to make things clean again.

Not perverts, addicts.

He simply forgot to put the whole "Momo, my dear friend!" post into quotes in his reply... It looked like it was part of his post and was confusing.

Bardy Batchy, do you know how to "quote" someone? You need to press "Quote" when replying....

Ha - dating tips for addicts!

Kedusha - we may be addicts, but the fact is that we're living a twisted version of sexuality. It's not a judgment, it's a fact.

I have to agree with Kedusha here... I used the word perv in a moment of midas hadin... If we see our mahus as pervers then we non-fixable, we are destined to live the sad life of a perv. If we

see ourselves as addicts then we can learn to rise about our addiction and live a life of Kedusha.... See Kedusha, everyone wanna be like K!

There's enough room for both threads, no need to close anything.

But what do you mean by "Dating tips"? U mean stam, or davka for addict inyanim?
