

Felt the urge, went out, saved a day
Posted by farblunjet - 17 Jun 2022 12:06

I had the urge to emerge, but distracted myself by getting some emotional connection (but with a abad crowd.) So now it's 15 hours later that I've distracted myself. But now....

Great! How are you now?

I saw suggested here to make a list in advance of things to do when bored. You can do the same for things to do when facing a strong urge.
