I plea for help, it could be just something for a day or few hours but I just need to relax it all, but won't go to the Lo aleinu, *AGHH* i dont know what to do.

-I feel a need to just relax but can't do so,,,,,,,,,,,,,,,,,,,,,,,,,,,,,ayayayyy! Hashem I know ur there, help thanks

HEY BARUCH HASHEM RABOSAI, I made it and did it again now on day 6 b"h. I am still going through the issue but some of the things have resolved, my apologies on not explaining what it is. I need the continued praying not completely done, need clarity! Thanks hashem for passing this nisyon and didn't have to rely on shmutz B"H
