

Emergency help

Posted by dim12 - 16 Apr 2023 19:00

I am writing to you today because I am in need of assistance with Struggles. I have been struggling with this issue for some time now and it has become something that I can no longer manage on my own. I am reaching out to you in the hopes that you may be able to help me find the support and guidance that I need.

If you are knowledgeable about Struggles or know someone who is, I would greatly appreciate it if you could contact me yoeldim24@gmail.com. I am open to any suggestions or advice that you may have, and I am willing to provide more information about my situation if needed.

Thank you for taking the time to consider my request. I look forward to hearing from you soon.

Best regards

The best would be if you can share a bit of your struggle like this we will understand better how to help you.

Some struggle online, some with porn, some with masturbation, some all together and some with even worse.....

As Grant400 noted above it is helpful to write something here in the forum about your specific "Stuggles". This is an anonymous forum and you can keep the details general enough that will keep your anonymity but at the same time help focus on some specifics. There are many people here who have struggled with many different aspects that can help you directly or indirectly.
