

small accomplishment before yom kippur  
Posted by Yankee - 21 Sep 2023 22:31

---

I found a hole in my filter and took advantage of it for a bit, but i finally sat on the phone today with gentech (took a while too) and got it fixed!

Small steps lead to big accomplishments!

Praying for everyone here these yamim noraim!

kol tuv

Great job!

Fixing holes in filters are super important.

Fixing the holes in us... even more important.
