

Goodbye for now...

Posted by jerusalemsexaddict - 30 Dec 2009 21:06

Well,I know I've said this before,but it's time for Uri to take another break from the forum.

A long break.

My email is available to email and chat as always.

This includes men and women

anotherid@gmail.com.

And those who want to follow my blog are welcome as always.

This is not about the forum.

It is about me.

Stay strong everyone.

I'm sure I'll be back in time (can't stay away from you guys).

Uri, after all we've been through together the past few months, don't we at least get a "hint" as Really.... Is it something Reb Shlachter wants you to do? Is it because of your upcoming trip? Is it because of something someone said? Is it because you feel there are too many different "shitos" on the forum and you are afraid of getting into an argument? Is it because you are getting nightmares of Guard chasing you with his bayonet? Is it because you are tired of eating sushi and ice-cream all day?

to why you are leaving?
