Well,I know I've said this before,but it's time for Uri to take another break from the forum.

A long break.

My email is available to email and chat as always.

This includes men and women

[anotherid@gmail.com](mailto:anotherid@gmail.com).

And those who want to follow my blog are welcome as always.

This is not about the forum.

It is about me.

Stay strong everyone.

I'm sure I'll be back in time (can't stay away from you guys).

Duh! Obviously that Uri's back on the forum.

Too much for me for him to leave the country AND the forum. At least he's back on the forum.
