Try reaching out to Hashem Help Me. michelgelner@gmail.com No, he doesn't have time for you. Or for me. But he talks to us anyway. So, reach out. You won't regret it.

Remember, many, many people have struggled and have broken free. And you can, too! Stick around, there's lots to learn here.

If you're looking for a friend, you can email me at the email in my signature

Keep trucking!
