GYE Bar Mitzva. All are invited!

Posted by the.guard - 31 Dec 2009 21:36

Hi Everybody, sorry I haven't been posting as much lately. I'm making Bar Mitzva for my Bechor this Shabbos and things have been a bit hectic. I know I really shouldn't have a life besides ;D

MAZAL TOV.

My blessing to him is, may he find Hashem on his own and never need GYE or the addiction to

GYE, but what can you do?

Dear Reb Guard, May you see much erlicher yiddishe nachas from your son who is becoming bar mitzva.

You should be zocheh to witness him grow medarga-ledarga bi'kedusha vteharah.

He should grow to be an ish emes, a baal chessed, and a baal midos tovos & baal derech erez.

Let it be the ratzon of the Bashefer, that throughout his years in yeshiva, he acquire the skills, knowledge, and understanding to be osek in torah with a cheshek, with hasmadah, with hatzlacha, and LISHMAH!!

And that he inspire many many yidden throughout his life to teshuvah - through his seriousness and dedication in avodas H-shem.

AMEN!!

(Feel free to pick up where I left off raboisai)

But . . . with about 15.5 hours until candle lighting, this is not very promising!

My blessing to him is, may he find Hashem on his own and never need GYE or the addiction to

Amein. Or ANY addiction.
