

Looking for a mentor please !!

Posted by highroller - 28 May 2024 00:06

Hi I am looking for a mentor please, ideally someone with whatsapp, but open to email and other sources as well.

The official partner program does not seem to be working at all !! (happy to share my experiences with the tech team if necessary.

Have you tried HHM? I don't know if he has whatsapp but he definitely is amazing! He has helped hundreds, myself included.

He can be reached at michelgelner@gmail.com

Hatzlacha!
