

So annoyed and frustrated..... trying to hang on....

Posted by wantingbetter - 21 Jan 2025 02:38

It's so annoying how the YH plays with me..... fall, get up, fall, be shtark..... feel stupid to talk to people cuz I feel that even though I know that those people are not judgmental..... I still feel stupid and feel judged..... so then I just ignore it and the YH has me right where he wants me.....

The highlighted point here is solid. We're all in the same boat and 270 days ago I was right there, out of control....

Looking forward to getting to know you.....
