Hey Great Forum People,

cause I have very little. I struggle. I pray for the people over here a lot. I also have fun. I said with a powerful heart some psalms for you guys. Not sure how I will face the challenge. It's nice knowing you people.

Good luck

Avi

Hey Yackov,

I hope you are well. I myself am a stranger too. Thank you for the encouraging words. I hope I can provide you some encouragement as well. I gave you a karma point. Amen for your blessing. May God make good things happen to you. You are great Yackov.
