

Men and Women's forums are now seperate

Posted by the.guard - 10 Jan 2010 15:28

Due to some serious breaches in Tzniyus that I am not at liberty to divulge, and after consultation with experts, it has been decided that the men and women's forums on GYE will now be completely separate. Men will not be allowed access to the women's forum, and women will not be allowed access to the men's forum.

We would also like to re-iterate that posting e-mail addresses and telephone numbers is forbidden on the forum. Instead, PM's should be used (between each gender separately).

We apologize for the inconvenience - and just so that no one should get wrong ideas, let me state that it has nothing to do with our dear women members, 7Up, Habib, Trying, Letakein and theOne.

nice one Yiddle.

The truth probably is that if we could converse with the women on the forum in a healthy way we probably would not need to be here in the first place ;D

In any case may moshiach finally come when zekeinim and zekeinos will learn together in Yerushalaim and ruach hatumah avir min haaretz.

KG,

It was closed in the "announcements" or "important threads", but there was a small thread in "break free" as well that people just didnt feel the need to post on. Maybe someone with administrative capabilities should lock this one also. If someone does, can I get the last word?? Please??? :(:(:(:(

No chance, Guard always gets the last word.

He can't resist.

It's some sort of physcho issue.
