

GYE CHAT

Posted by Lechayim - 12 Jan 2010 17:17

I am very much for a normal Chat section here . Would be the best thing for all of us at least for me! There was one here before but that had links to bad places. What we need here is an independent chat for the GUE group. Rabbinu Guard said for \$800.00 he can put one up. Is anyone willing to pay part of the expenses? I would give the first \$100.00 if we can put this together soon. Does anybody want to chip into the heilger Mitzvah. Everytime some one gets saved by chatting there you will have schar. C"mon lets see if we can do a nachas ruach for Hashem. Imagine all those who follow us later!!

Dont wanna start a whole thing here but I would be against that.

Let me repeat that: In the chat program that we're considering *there is the ability* to keep a record of all past chat sessions.

So what exactly are you "against"?

If it has the ability I would say to not use it but its not my decision...

Can't you see how a thread like "I'm about to fall" would be better if it was on chat?

Yeh I second that. Been making a lot of use of it lately.

I think it is just fine on the forum. The chatroom should be for immediate use.

So, five years later....look at your zechusim.

Worth much more than \$100?

Wow cordnoy you are really reminding me of those days which i long long ago forgot about. Im getting goose bumps that i was a real pioneer in that certain way asking for a chat room. GYE has grown since then tremendously (nebech)but of course helping lots of people! They are

today much more professional and known out there.I can use these zechusim if im able too.

It is nice to see when the legends return for the "old-timers" game.

But, sorry to tell you, Zemmy and Gevurah have shortstop all locked up; they have been playin' ball, while the others (you, Mouse, Blind Beggar) were siesta'in'.
