

Your Chiyuv to spread the word!! Everyone can do it- you included

Posted by shemirateinayim - 25 Jan 2010 07:26

I started this post, after making too many unheeded responses to Kedushah's threads. There is SO MUCH that we can all do to raise awareness, without even getting off our chairs. Simply call the Rav of a shul and town that never heard of you. Don't identify yourself, but give him a pep-talk about addiction, offer to sent him the haskama to this site, a handbook, and poster. Let him adress it on shabbos, making 'the anomonus you', into his scapegoat(and post the material in the shul bulletin).

The intention of this thread is solely for the furtherment of spreading the word. Please limit all posts to this cause alone.

Please supply any ideas, letters, etc. to help everyone accomplish this holy task. Why should Kedushah get ALL the credit, let's do something ourselves!

Dear SE,

Keep up the wonderful work! None of us can do it alone (including Guard).

In trying to make this as easy as "click, print, mail". I created a google file with open-access, to veiwing, and selective access for editing. to get editing privelages please receive security clearance from GUARD (i mean me! he he he he he) WHO gets the last word now, moderators!!!!!!

But jokes aside, at least untill i get the point across, i am collecting letters that could be either emailed or mailed to rabanim. the more people submit to me (via email) the more people will have to choose from. Eventualy i hope to make both an internet copy, and a printable copy.

Anyonw who feels they have ANY corrections what-so-ever, send me your corrected version (via email) and I'll add it to the file. Any 'regulars' who want editing power, just ask, and I'll add your email adress to the list.

Nice

BTW can you email me the letters you used, so that other ppl can 'recycle' them?

I created a google folder for this purpose. That will hopefully serve as the one stop destination for "GYE Postcards" complete with everything, except an address and stamp (free if sent by email-and I volunteer to send them 4 U if you want)

Important update: The Rosh Yeshiva has requested that one of these two versions of his letter (which do not mention the GYE website) be used in venues where the Internet is not being used by virtually everyone.

I have asked Guard to post these versions on the GYE site.

Version #1 (no mention of GYE site; uses the word "pornography"):

TO WHOM IT MAY CONCERN:

There is an international scourge attacking the Jewish People: this is the widespread addiction of men to pornography. Fueled mainly by the Internet, but no less by other means of communication such as telephone and DVDs, this scourge threatens to tear apart the fabric of Jewish life and undermine one of its major foundations, that of tzenius (moral restraint).

This addiction has spared no class of Jews: from teenagers to kollel members, from office workers to Rabbis, and from single to married men. I have seen personal lives ruined and marriages wrecked because of this relentless temptation.

A single individual has undertaken to stem this tide of destruction, despite the personal and financial strain which this entails. This is the anonymous administrator of the program known as "Guard Your Eyes." By utilizing methods which have proved successful in treating other addictions, and by providing constant encouragement, support and strategies to victims, "Guard Your Eyes" has successfully helped wean hundreds, if not thousands, from pornographic addiction and has helped return them to normal life.

I have seen the materials and handbooks which this program distributes and have only praise for its methodology and approach to the problems of the addicts. Everything which I have seen conforms to the highest standards of Torah values. I highly recommend anyone who suffers from this problem to avail himself of this effective program.

"Guard Your Eyes" is worthy of the encouragement and financial support of every Jew.

May HKBH grant its administrator the wisdom, the strength and the means to continue this holy work, and may it help return the Jewish People to becoming a nation regarding whom it is written, ???????? ?????? ?????? ("Sanctify yourselves and you shall then be holy").

With deep respect,

Aharon Feldman

Regarding the letter that the Rosh Yeshiva approved for virtually all venues, Guard should be posting it on the GYE site in the near future, and told me that he plans to include a link in today's Chizuk e-mail.

In the meantime, you can access it [here](#). (Save the file as a JPEG before printing).

This is the version that does not use the word "pornography," which is probably better in many venues.

Hey Kedusha, when you got a chance, can you help me collect all the original letters from R Feldman, in a google doc, and label them (we are only at 2, right). Since we can send the publisher both- to 'hit him hard' with reality- and he'll only publish the "nice" one.

Also, I'll put both links on every "GYE Postcard"

Why don't you lend a hand, before there is nothing left to be gelious of!!

And did anyone ever tell R Tzvi Meir about us? How about leaving him a pile of askamos, and maybe using the "mishpacha" version will stop some kanai from burning the whole pile. I don't know how things work over there. but just say something like "I help bachurim and avreichim who have gotten caught-up in Internet Addiction. We have Askamos, and a heter for such people to use the internet for our program. Please help allow us to be mezakeh the rabim, by circulating these print-outs of the askamah at the shiur. and please give them to anyone that needs"

It would also help to have something written-up in hebrew about the hebrew forum, and hebrew website 'Haba Alai Letova' (Atid lavo sounds so 'far-off')

Ok who's gonna be the karban, or pay for my plane ticket to EY!! *Veish Ki Yakriv Mikem

Karban LaShem* Nu whouldn't want such a Toar?
