I am Maskim, Kedusha. But the line is translated as follows: "From when you enter Adar, uou should increase in happiness." This means that whatever level of happiness I am on before Adar, I have to one up that once Adar comes. So if we make our level of happiness very high before Adar, then we have to one up that already elevated level of happiness when Adar

Yiddle: thx.

Kedusha: I expect you're kidding. Even so, if you're looking for proofs why you **SHOULDN'T** get up and dance, and to put off 'til tomorrow what you might do today, I'd say the heck with you. Dance now, ask questions later.

Or you could add one to the gematria and decide it's Adar already. Or that by 12 noon ET it's already Adar in E'Y and you could be doing this dance with **THEM** in your head.

But who cares, 'get up offa that thing, and dance 'til you feel better' (my pre-frum days give me a never-ending supply of rocknroll lyrics for all occasions).

does that mean I gotta keep chancing my name and pic tomorrow also???

I'm sure I made a big stir today, I just can't see the ripple effect. NO angry emails, no probation, no parental controll on my profile, any not a single response, except for one reffrence from 7up. SHeesh this place is slow today.

But BH with all this simcha I'm keeping myself out of tru=ouble, away from triggers, and i found a new hobby that isn't fueled by my tayvas nashim!

I believe I made some reference in one of 7Up's threads (I think the serious one). ;D ;D ;D ;D

Hey Kedusha, ITS NOW ADAR HERE SO GET UP, PUT ON SOME MUSIC, AND DANCE!!! I want to hear that you took the minimum shiur to dance. I won't be satisfied and completely

happy until you do. So now your Simcha AND my Simcha are talui (?? dependent) on you

Thanks Briut, what did you dance to? :o :o :o :o

dancing. Now shake your legs and tell me about it!

-Yiddle

P.S> And another point..... GUARD this applies to you as well!!! Music of your choice. Grab your kids. Grab you friends. And just dance!

Who cares?!!! Just since and thank HKB"H for being ALIVE!!

Increase in Simcha should be a regular thing. Now that it's Adar it tends to come more naturally - but even more so - one is mechuyav to increase his Joy - so if one was already on a gevaldic level before Adar - al achas kama v'kama - imagine the Simcha by the end of Adar that will carry you through Yetzias Mitzraim!

yiddle,

did I say I danced?

read my post carefully.

sometimes I talk a better game than I do.

it's not a good week to find a dancing partner. and my kids aren't avail right now.

so I guess I should dance anyhow.

AND BY NOW IT REALLY IS ADAR!!!

Everyone is so busy doing their daily routines that they forget that Purim is coming!!! Only Purim will last when the 3rd Beis Hamikdash will be built (bemheirah beyamainu). Dont wake up on the 14th of Adar and just "do" Purim. Prepare for it, get excited for it, get HAPPY!! Ivdu es Hashem **BESIMACHA.**

Have a Simcha-filled day EVERYONE!
