

Maccabee's War

Posted by Maccabee - 30 May 2010 03:21

Alright hopefully the post name will in itself give me a little chizuk. Shabbos in general was terrible and I fell more than once, however mincha time I gave over by heart to someone in the community a long drasha which I had learnt a week before shavuos and still remembered clearly B"H. So I'm on a bit of a low right now particularly because everytime it's on shabbos it usually involves breaking it which kills me. So right now I'm in a lot of pain and I'm calling out to you my dear friends to help me through this.

I joined a phone conference this week and some interesting things were discussed but nothing which has helped yet. I know I'm doing something wrong but it's so hard to pinpoint where to start. HELP!!!!!!!!!!

I'm on the 'nefillah-atzvus' rollercoaster. I don't know how to get off!!

I'm going to a chasuna in a couple hours. Hoping that will help.

Been there, done that.

What Zemmy said is the eitzah...

Being here is what has helped me (for now, with Hashem's help -for good) of that roller coaster.

Be in touch, and we'll try to help you work it through...

KOT! (And Guard Your Eyes by the chasunah!)

Hey guys, I haven't been here in SOOOOO long! Checking in now to say that while I was home I met to friends who are also struggling. One has been in SA for 6 years and another I introduced to GYE. I also got a sponsor and things, although they make look as I they are not moving, most definitely are. B"H!!

Mac,

Welcome back!

I didn't quite understand what you wrote about not moving, though your overall tone sounds upbeat.

KOT!

Dear Maccabee,

If you read the last two lines of what you wrote you will understand why EBD wrote that he cannot understand it. There are some words you intended to write that are clearly missing.

Perhaos you have been sneaking into bards Woodford stash? Hmmm???

Okay we'll try for round two, here goes:

Hey guys, I haven't been here in SOOOOO long! Checking in now to say that while I was home I met to friends who are also struggling. One has been in SA for 6 years and another I introduced to GYE. I also got a sponsor. It may take some thought to realize this, and it doesn't always keep you going, but, things, (as in recovery work and progress,) although they make not look as if they are progressing, most definitely are. B"H!!

(Now THAT was an incredibly long run-on sentence.)

Good night folks!

Yes, but well understood.

Glad to hear that you're making progress.

Good Shabbos,
