Would a Succas GYE Kumzitz (in Israel) work out for anyone? Let me know if you have any preferences as to which day.

The closest we chutz'niks can get to, is when **Duvid Chaim** travels for his business trips the 12 Step'ers get to meet.

That is unless, someone tries to arrange one.....

can there be a call-in-number? for those of us who are in america? or those who cant make it?

probably wont be able to listen the whole time since calling cards have limited minutes

but is that possible?
