

Hi Everybody!

Posted by Yosef - 24 Sep 2010 08:26

I haven't posted in a while but I'm glad to be back and to see how GYE just keeps growing stronger and stronger. Almost a year ago I logged into GYE when I had barely had the strength to do anything except look for more schmutz. At that time, one of the leading contributors to the forum reached out to me and pointed me in the right direction for me - SA. I have been clean, B"H since that day. Since then I have moved to Israel and attend an English speaking SA meeting and I have a someone with alot of experience who I can speak to everyday (if I want to) who has been clean for 26 years. It may not be for you, but it seems to be working better for me than what I was doing before. We could really use some new guys to join us in our Jerusalem group. If thats what your looking for. If you would like more information about Israeli SA groups in English or Hebrew, feel free to send me a message. I realize that SA may not be for everyone on this forum.

A great new year to all!

Yosef
