On the old forum (smf 1.0), there was a page with many statistics, such as who posted the most, which threads were read the most, etc... I can't seem to find it anywhere here??

Yay! I found it! www.guardyoureyes.org/forum/index.php?action=stats

I had to do some detective work to find it, and I still don't know how to GET there from the forum. But if you save the URL, you can check the forum's statistics...
