Oh...sorry...

Hi!

OborMottel's kitchen was a place where ChunaFeitel worked as Mashgiach a while back, you were only allowed in there with your real name, Mottel worked there, argued with Shmueli over

the "hi"gher points of nutrition there, and kept us all well-fed, was a good place and he made mean kasha varnishkes, we miss him

oh, by the way how do you know you've been on gye for a while? when you're seriously afraid of overloading the hi servers. no kidding hi.
